

Invitation to the International Conference of the EU-funded project **“From Alienation to Inclusion”**

The Cypriot NGO C.I.P Citizens in Power is pleased to invite you to the International Conference of the EU-funded project “From Alienation to Inclusion”, titled as ‘Eliminating the barriers towards the social inclusion of migrants: A comprehensive educational toolkit reflecting on the social, psychological and linguistic aspects of integration’.

After introducing an overview of the open e-platform developed under the current project, particular focus will be placed on the presentation of comprehensive, educational tools which ruminate on the social, psychological, as well as linguistic facets of integration and are offered in five languages (English, Greek, French, Spanish, Lithuanian) such as:

- A workshop-based and open Online Training Course aiming at the development of intercultural competences for inclusive multi-cultural communities;
- An analytical Online Training Course for the creation of media campaigns and films with a social scope;
- A creative Educational Material, composed by workshops based on non-formal methods, revolving around the ways in which Art-therapy empowers persons with traumatic experiences;
- A supportive Toolbox, emphasizing on the psychological aspects of integration on migrants and refugees, for the education of youth workers who deal with vulnerable groups;
- An expansive collection of innovative language learning platforms, which offer linguistic support in over 50 languages.

The conference will take place on **December 10th, 2019 from 16:30-21:30** at the Classic Hotel in Nicosia, Cyprus. The language of the Conference will be English. The participation in the Conference will be free of charge and all participants will receive a Certificate of Participation. A rich dinner will be offered to all, slightly after the end of the Conference.

Please do confirm your interest in participating to the Conference, by completing the relevant form provided within the [link](#), the latest by the **2nd of December, 2019**.
